

## Visited Bangkok, Thailand

On Wednesday, November 20, 2024, President Isao Kurauchi of the FOF visited Bangkok, Thailand, and participated in the following ceremonies related to One Health.

### The Signing Ceremony for the "Basic Agreement of Understanding on Promoting One Health through Cooperation between Fukuoka Prefecture and the Bangkok Metropolitan Administration"

Both governors agreed to contribute globally to the creation of a society where the health of humans, animals, and the environment are harmonized.

Following this basic agreement, the two regions aim to conclude additional memorandums of understanding to advance concrete initiatives, such as human resource development and public awareness activities, in collaboration to promote One Health.

### The Conclusion Ceremony for the "Agreement on the Establishment Cooperative Relationship between the Fukuoka Prefectural Assembly and the Bangkok Metropolitan Council"

In the presence of the Governor of Fukuoka Prefecture and Dr. Navapon Techakriengkrai of Chulalongkorn University's Faculty of Veterinary Medicine, a new agreement was signed between the two chairs that includes the promotion of a cooperative relationship to promote One Health.

©President Isao Kurauchi: Comment  
We hope that the in Asian network of FAVA, FOF and Fukuoka Prefecture will become a stronger bond through the One Health agreement and that the practice will be greatly promoted.
